FLEET

Your fuel supplier does matter.

At World Fuel Services, we get it. You need simple yet powerful tools that keep your vehicles on the road and operation on budget. As fleet operators ourselves, we know how to manage unique fleet fueling challenges. With unmatched expertise and operational strength, we offer the kind of personalized customer care and innovative problem solving you need to operate efficiently and effectively.

Fully customized solutions:

More efficient, cost effective fleet fueling, onsite and offsite

Dependable deliveries even in tight supply situations

Equipment & storage options, including fuel tank inventory monitoring

Competitive pricing for a full range of fuel and energy products

Multiple fleet card options for local and over the road fueling

Optimize every drop of your fuel supply

GASOLINE • DIESEL • RENEWABLE FUEL • LUBRICANTS • DEF • FLEET CARDS

Leave your fueling needs to World Fuel Services. Our expertise and ability to deliver integrated supply, logistics, delivery, and dispensing solutions let you spend more time focused on what you do best – and less time worrying about how to keep your fleet on the road.

Convenience

Simplify fuel procurement and fleet management with onsite deliveries of the products you need – when and where you need them. From backyard tanks to onsite mobile fueling, plus a variety of fleet card options, we provide a comprehensive suite of fleet fueling solutions.

Control

Put yourself in the driver's seat when it comes to fuel costs. Our customizable universal and OTR fuel cards, as well as price risk management tools help you set boundaries that keep you on top of your total spend.

Cost savings

Find value in every fuel-related purchase. We connect you with a full range of high-quality fuel products, fleet cards, and related services – all offered at competitive prices.
